FADE IN:

EXT. PARK NEAR A RIVER - SUNSET

A COUPLE--AWKWARD GUY and BEAUTIFUL GIRL (20s)--sits near a pristine river. **They look at a smartphone, scrolling through blurry pictures.**

EXT. BUSHES - CONTINUOUS

RUSTLING NOISES from the bushes nearby. Peeking out is a rugged MOUNTAIN MAN. He's a leering giant, tall, with a comically thick beard and mustache--a pudgy face anyone could love.

He whispers loudly, directly into the camera, addressing the audience.

MOUNTAIN MAN

Aww. Look, kids! Love is in the air.

PARK - CONTINUOUS

The couple starts to argue.

BEAUTIFUL GIRL

You can't even press a button.

AWKWARD MAN

It's not my fault. The damn thing won't stay focused!

BEAUTIFUL GIRL

Sounds like you two have something in common.

AWKWARD GUY

I can focus!

BEAUTIFUL GIRL

What about last night? Were you focused then?

Awkward Guy blushes.

BUSHES - CONTINUOUS

MOUNTAIN MAN
(smiling)
Uh-oh, trouble in paradise, little
ones.

PARK - CONTINUOUS

Awkward Guy marches to a tripod.

AWKWARD GUY
Just one more. I promise.

Beautiful Girl SIGHS LOUDLY. Awkward Guy presses the button,
initiating the camera's timer. The CAMERA CHIMES.

AWKWARD GUY
5, 4, 3...

He runs back to sit down. The Mountain Man leaps from the
bushes.

CAMERA CHIMES
2, 1...

Mountain Man yanks the smartphone from the tripod and THROWS
it into the river. The awkward guy and beautiful girl stare
in shock.

Beat.

Beautiful Girl SCREAMS in horror. Mountain Man whips out the
YOUVR RIG and sets it on the tripod.

MOUNTAIN MAN
Don't let blurry photos shit on
your parade like this,
smarmy avian bastard.

CUT TO: RANDOM SEAGULL.

MOUNTAIN MAN (CONT'D)
With YOUVR MOTO's cutting-edge,
facial-tracking technology, just
set your phone up, sit your ass
down, and click away.

Mountain Man turns to Awkward Guy.

MOUNTAIN MAN
Hey Ansel Adams Jr., catch!

He tosses the remote to Awkward Guy. Beautiful Girl intercepts the pass.

She starts taking pictures.

MOUNTAIN MAN
Wanna crop that annoying photobomber out of your photo? No problem-o.

Awkward Guy pulls the remote control away. He pans the camera, cropping the beautiful girl out.

The couple starts fighting over the remote.

MOUNTAIN MAN
So leave the blur to Claude Monet. And Photo Your Moto...or whatever the hell.

AWKWARD GUY
Actually, uh, excuse me, but Monet was a painter.

Mountain Man shoots a nasty glare at Awkward Guy.

Beat.

EXT. PARK - LATER

Mountain Man has thrown Awkward Guy into the river. He sits on with Beautiful Girl.

MOUNTAIN MAN
Remember kids, don't kill the mood. Stay in focus. Always in focus.

Camera CLICK a picture of Mountain Man.

FADE OUT.
